Team EPA,

Good talking to everyone yesterday. I have attached the budget sheet for your review. Please take a close look at the notes on the budget sheet as they mention the dates we have the vehicles as well. Everything on the sheet is maxed out at this point, we should only have to pull back cost where EPA sees fit.

-Also included the cost of two interpreters.

-Cancellation fees are the only cost that is not added at this time. Ex. 6 - Personal Privacy is awaiting a confirmation email from Mark about rooms before reaching out to hotel. There is a chance the hotel could waive the cancellation fee, so good to have that confirmation back in the next 2 hours.

Small logistical notes below for your review as well. We look forward to your feedback. Please REPLY ALL when responding. Thank you!

Rome:

Advance Team (Wednesday, May31):

- As we are told, there will be 7 people for advance. Our plan was to use two 8 passenger vans for this pick-up. Which should suffice for both passengers and luggage.
- We budgeted to keep both passenger vans for the entire Rome visit, but can scale back if advance only needs one van for site surveying timeframe and then bring the secondary van back when the delegation arrives
- We have attached the luggage van for departures and arrivals only

Delegation (Tuesday, June 6):

- All vehicles provided, plus vehicle package from GOI as noted on sheet.

Bologna (Saturday, June 10):

- All vehicles provided, plus vehicle package from GOI as noted on sheet.
- We are checking if the Ministry can lend us a luggage van for arrivals and departures, but added the cost if we have to rent one.

Rome Return:

From Train Station (Monday, June 12):

- Vehicle package plus one 8 passenger van. The van can be used to hold the two staff people and luggage.

To Airport (Tuesday, June 13):

- Vehicle package plus one 8 passenger van. The van can be used to hold the two staff people and luggage.

Hi [Ex. 7(c)]

Yes, GOI is capable of and willing to provide the same protection package to the Administrator in Rome and Bologna that they provided to the Secretary of State in Lucca. Last we spoke, I was waiting to hear if the Administrator would be agreeable to his children riding in a separate vehicle as the GOI uses sedans (FA) for protection details. The GOI also provides a follow, and it's possible there could be a lead vehicle in addition to the police lead vehicle. The Administrator's lead security agent may be in the follow or the lead vehicle. Once confirmed the Administrator is agreeable to the GOI provisions, I will finalize the arrangement with our GOI law enforcement colleagues and insure your preference for the placement of the lead agent and a possible second agent.

Respectfully,

With the size of advance team increased, I believe they will be split into two teams.

This will mean double the vehicles for advance.

All, the assurance needed is that the Administrator will be covered by Italian security in Italian security vehicles.

AND - very important - will Italian security Detail provide a follow up vehicle with room for our Detail Leader? And possibly one additional.

If not - we would need a post furnished SUV (preferably armored or LAV) and driver to act in the capacity of a follow up vehicle.

And that package needs to be in place for both Rome and Bologna.

That is correct, which is the reason for the line I put in for Rome only. I will delete EPA hotel tab for ease, just wanted to give the overall picture in case. Please let me know if anything else pops out at you. Thank you!

Thanks, [Ex. 6 - Personal Privacy] Please note that EPA travelers will be paying individually for their hotel rooms so the hotel charges will not be included in the fund cite and should be removed from the final budget.

EPA Team,

We are still waiting on cost for Bologna hotel, but attached is the estimated budget for the overall trip. On the "Grand Total" sheet, you will also see a line for the total due to Embassy Rome out of the grand total via fundcite for support. Please let me know if you have any questions.

Hi Mark,

[Ex. 6 - Personal Privacy] will be sending you, Anna, and Brianna our budget today.

I did not include any funds for Rome personnel to advance Bologna, as I believe your plan was for you and Millan to go up to Bologna on the last days of the Administrator's visit in Rome, so we had planned to stay in Rome until Sat. I'm not sure if that changed with the shift in the Vatican schedule?

Perhaps Florence can give you advance support.

Thanks, [Ex. 6 - Personal Privacy]

Dear Mark,

I talked today with Minister Galletti about the visit of Mr Pruitt on the occasion of the G7.

He was asking me to suggest that we organize a lunch with the local Business Council. The idea would be to put around the table around 20 local entrepreneurs for an exchange of views.

We could arrange 10 minutes courtesy talk with the President of the Bologna Business Council, the lunch with 20 entrepreneurs and then the bilateral.

What do you think about this proposal?

Best regards

Stefano
